March 2009

Dear Colleague:

I am pleased to announce the publication of the 2009 Faculty Underrepresentation Report by the Office of Equal Opportunity and Access (OEOA). In conjunction with the OEOA Affirmative Action Executive Summary Report and the Faculty Status Report, this report can assist units with understanding faculty hiring patterns involving women and underrepresented minorities. More detailed information can be procured upon request to our office. Our office's goal is to be a resource for the campus for statistical data and reports involving women and minorities.

The University of Illinois at Urbana-Champaign is committed to developing and maintaining a representative workforce and providing its employees and applicants for employment with a discrimination-free work environment. OEOA encourages and supports your continued equal employment opportunity and affirmative action efforts to recruit and retain a diverse and outstanding faculty. The office's resources and services are available to assist your efforts.

Sincerely,

A handwritten signature in cursive script that reads "Menah".

## Introduction

The University of Illinois at Urbana-Champaign is committed to developing and maintaining a representative workforce and providing its employees and applicants for employment with a discrimination-free work environment. The following report contains hiring data for Professor, Associate Professor, and Assistant Professor groups. The report also contains 2009 placement goals from the University of Illinois Affirmative Action Plan (AAP). This report includes all Tenure and Tenure Track Faculty, Other Academics (Instructor, Lecturer, Teaching Associates, Visiting, and Adjunct), College Sr. Faculty Administrators (Deans and Heads) and Campus Sr. Faculty Administrators (Chancellors and Provosts). The report does not include Post Doctoral Research Associate, Research Associate, Fellows, Residents and Scholars. Other Academics that also have an AP with a greater AP FTE or salary are not included. All employees are counted in their home department. Most of the job groups were formed by each department but a few of the departments were aggregated due to size of the department.

Annual placement goals are established for women and ethnic minorities in job groups where underutilization is identified. Underutilization of minorities and women exists in a job group when the actual number of employees is less than the number that would reasonably be expected based on their availability. The University's placement goals are established by applying the 80% Rule. With the 80% Rule, a disparity may exist whenever the percentage of females or minorities in the job group is less than 80% of the final availability percentage.

The Urbana-Champaign campus implements actions to increase the participation of these underutilized groups. This is not the University of Illinois AAP. The AAP is available for review at the Office of Equal Opportunity & Access.
